

El Cid & the Cult of the Wasteland - Dialogue Sample

As El Cid and his companions explore the abandoned mine, that is serving as a hideout for the cultists, he finds a strange brass lamp buried under the skull of a dinosaur.

Text: You rub the lamp... a whirling and gurgling sound fills the air as out of the lamp, a blue-skinned girl appears!

GENIE

Hey— Wait! Who are you?
You're not the creep who summoned me last time.

So, who are you? You can call me Talli. Talli Sabatti.

Choice 1: Give your name

EL CID

I am El Cid. This is Bavioca, my horse, and Zorro, my hound.
We're trying to stop those creeps.

GENIE

Oh really! That's good to hear. Otherwise, I'd have to destroy you.
But since you're going to stop these creeps, mind if I tag along?
(giggles)

EL CID

The more the merrier. Your help is much appreciated, ma'am.

GENIE

Ma'am!!! I'm not a Ma'am!
I'm a cute little genie girl. Not some old lady.

EL CID

Uh... pardon... I uhmmm—

GENIE

Just messing with you goofy. HAHAHA!
Let's go!

Talli joins your party.

Choice 2: Tell her to get lost

EL CID

Get lost kid. We don't need your help.

GENIE

You can't talk to me like that!

You're going to pay for your insolence...

GENIE

I can't believe you were dumb enough to back-talk to ME!!!

Now, you're going to pay!

The Genie attacks!
